

# Beautiful, Scandalous Night

**D G D**  
Go on up to the mountain of mercy  
**D A bm**  
To the crimson perpetual tide  
**A G**  
Kneel down on the shore—be thirsty no more  
**D A D**  
Go under and be purified

**D G D**  
Follow Christ to the holy mountain  
**D A bm**  
Sinner, sorry and wrecked from the fall  
**A G**  
Cleanse your heart and your soul in the fountain that flows  
**D A D**  
For you and for me and for all

*Refrain:*

**A G D**  
At that wonderful tragic mysterious tree  
**A G D**  
On that beautiful, scandalous night you and me  
**A f#m7 bm G**  
Were atoned by His blood and forever washed white  
**D A D**  
On that beautiful, scandalous night

**D G D**  
On the hillside you will be delivered  
**D A bm**  
At the foot of the cross justified  
**A G**  
And your spirit restored by the river that pours  
**D A D**  
From our Blessed Savior's side  
*refrain*
